REVIEW ENGAGEMENT REPORT

To the Members of Plain Language Association International

I have reviewed the balance sheet of Plain Language Association International as at July 31, 2008 and the statements of revenues and expenditures and capital for the seven months then ended. My review was made in accordance with Canadian generally accepted standards for review engagements and accordingly consisted primarily of enquiry, analytical procedures and discussion related to information supplied to me by the association.

A review does not constitute an audit and consequently I do not express an audit opinion on these financial statements.

Based on my review, nothing has come to my attention that causes me to believe that these financial statements are not, in all material respects, in accordance with Canadian generally accepted accounting principles.
